

The Manufacturers Life Insurance Company (Bermuda Branch)—hereinafter referred to as Manulife Bermuda

Important information

Use this form to request a backdated policy date that can provide a younger issue age.

- To receive this benefit, you must pay the premium from the backdated policy date to the later date when coverage under the policy actually begins.
- If you made a backdating request at the time of application, the period of time for which you pay the premium before coverage begins can include the time it took to obtain the necessary underwriting evidence and complete the underwriting and issue process.
