

# Insured attestation

## Important information

Use this form to consent and authorize the use of electronic signatures and electronic documents as they relate to your life insurance policy.

## 1. Policy information

Insured name

Servicing agency

## 2. Signatures and authorizations

### By signing below, I acknowledge and agree to the following:

- I signed a generic Information and disclosure authorization (IDA) form today to facilitate the possible purchase of life insurance on my life from any number of international life insurance carriers.
- I signed the IDA form during an online communication that I initiated with the undersigned broker who was outside of my country of residence during the process in which this IDA form was discussed, completed, and signed.
- This process was made available as an accommodation to me at my request.
- Nothing about this process is intended to confer legal or regulatory jurisdiction in my country of residence.
- The insurance transaction that may ensue following my signature on the IDA form will be governed by laws and regulations other than that of the country in which I reside.
- I authorize the use of electronic signatures and the electronic delivery of all documents related to the application, issuance, and administration of a life insurance policy insuring my life.
- My electronic signature will have the legal equivalent of my manual signature on all relevant documents related to the application, issuance, and administration of a life insurance policy insuring my life.
- No certification or third-party verification is necessary to validate my electronic signature, and, further, that the lack of such certification or third-party verification will not in any way affect the enforceability of my electronic signature or any life insurance policy that is issued insuring my life.
